

LIZA AUMAN

Microsoft D365 Business Central Consultant

About Me

Since 2010, I have specialized in implementing Microsoft Dynamics 365 Business Central solutions across various industries. I manage end-to-end projects, including requirement analysis, solution design, configuration, customization, and user training. I oversee the rollout of Dynamics NAV and Japan Localization Implementation for foreign companies' ERP systems in their Japan subsidiaries. My focus on tailored solutions and deep understanding of business processes enhance operational efficiency and drive client success.
