- Designed & implemented product enhancements and customizations based on the requirements specification in Human Resources and Payroll modules
 - Generated reports on Human resources and Payroll
-

Client: International Medical Center - IMC

Environment: D365 Finance and operation

Description: IMC. Is the Medical corporation in Kingdom of Saudi Arabia

Deliverables:

- Designed & implemented product enhancements and customizations based on the requirements specification in Human Resources and Payroll modules
 - Generated reports on Human resources and Payroll
-

Client: Ras Al-Khaimah Academy. - RAKA

Environment: D365 Finance and operation

Description: Ras Al-Khaimah Academy is a group of international schools in UAE.

Deliverables:

- Designed & implemented product enhancements and customizations based on the requirements specification in Human Resources and Payroll modules
-

Client: AL Borg Medical laboratories - Alborg

Environment: D365 Finance and operation

Description: Al Borg medical laboratories is the largest company in Kingdom of Saudi Arabia

Deliverables:

- Designed & implemented product enhancements and customizations based on the requirements specification in Human Resources and Payroll modules
 - Generated reports on Human resources and Payroll
-

Client: Saudi Contractor Authority - SCA

Environment: D365 Finance and operation

Description: Saudi Contractor Authority aims at organizing and developing contracting sector in KSA

Deliverables:

- Designed & implemented product enhancements and customizations based on the requirements specification in Human Resources and Payroll modules
 - Generated reports on Human resources and Payroll
-

Client: Saudi Venture Capital - SVC

Environment: D365 Finance and operation

Description: Saudi Venture Capital is a Government Venture Capital firm in KSA

Deliverables:

- Designed & implemented product enhancements and customizations based on the requirements specification in Human Resources and Payroll modules
 - Generated reports on Human resources and Payroll
-

Client: Qatar Stars League- QSL
Environment: Dynamics AX 2012R2
Description: QSL. Is the International Football league organization in QATAR
Deliverables:

- Designed & implemented product enhancements and customizations based on the requirements specification in Human Resources and Payroll modules
- Generated reports on General ledger, Human resources and Payroll
- Provided onsite support from client place for 12 months

Client: Abu Dhabi National Exhibitions Company- ADNEC
Environment: Dynamics AX 2012R2
Description: ADNCE is the International Exhibition center in Abu Dhabi
Deliverables:

- Designed & implemented product enhancements and customizations based on the requirements specification in Human Resources and Payroll modules
- Implemented the Biometric integration with Payroll, Micro integration with General Ledger
- Provided onsite support from client place for 1 months

Client: International Tire Centre WLL -ITC
Environment: Dynamics AX 2012R2
Description: ITC is the leading manufactures of tires in Qatar
Deliverables:

- Designed & implemented product enhancements and customizations based on the requirements specification in Human Resources and Payroll modules and developed SSRS reports for Payroll

Client: Alarif Group
Environment: Dynamics AX 2012R3
Description: Alarif group is the leading Engineering and Construction firm in UAE.
Deliverables:

- Participated in code optimization in Payroll process for performance improvement
- Involved with bug fixing in Payroll, General ledger

Client: Ta'allum Groups
Environment: Dynamics AX 2012R3
Description: Ta'allum Groups is the group of educational institutions which aims at delivering premium quality of education to the students of Qatar
Deliverables:

- Successfully customized forms in Human Resources and Payroll modules
- Generated reports on Procurement/Sourcing and AR/AP
- Addressed and resolved issues reported by the User
